

Life Skills Class

Our Youth Life Skills class with Tom is every Wednesday night at 7pm for all Youth grades 7-12.

Don't miss these great lessons that you can immediately apply to your own every day life.

to let others see us living Christ-like lives so that they can see and hear about the goodness that God brings to our lives. We said that Jesus will work through us to bring people to Him and our responsibility as Christians is to let Him and to embrace our identity in Christ.

We then looked at who the people are that we can influence in our own every day lives. We said that there may be Family members who do not have a saving relationship with Jesus. We looked at Friends and all agreed that we have friends who do not yet know Jesus. Acquaintances, people who we know but are not specifically friends with like classmates or teachers, can also be in need of knowing Jesus. Even Strangers, people we just run into such as cashiers, store clerks or a person riding the bus, can be in need of salvation.

We said that all of these people in our lives can be influenced not by preaching to them or judging them but by how we live our own lives. Our own actions, the words we use and our attitude is what will lead others to salvation and a personal relationship with God.

God depends on each of us to shine the light of Jesus in a dark world so that ultimately, none will perish but all will be saved. We said that living our lives in such a way isn't just a suggestion or something reserved for the most spiritually mature. It is very literally an essential part of our identity as Christians as taught to us by Jesus, Himself.

We said that whether you realize it or not, YOU really can make a huge difference in others lives by accepting your identity as a Christian and simply living a Christ-like life for others to see.

Join us next week as we continue talking about Jesus and our identity and turn "the world" upside down.
