## Living Word Ahwatukee 1 Youth Update for the week of 6/7/15

Hello Chris

**HELLO**  
my name is

?

This week, we started by spending some time introducing ourselves and saying "who we are". We then had a discussion about how we identify ourselves and about how we often misjudge ourselves because we have an incomplete understanding of who we really are.

We also tend to identify who we are by what others say we are or the things that we do, how we look, what we wear or the friends we hang out with.

The biggest problem with all these is that not only is it only a very small part of who we are, all of these Earthly things can be taken away in an instant. Our actual true identity that accurately describes exactly who we are is an amazing gift from God, given to us since before we were born and it can never, ever be taken away.

We then took a look at what the Bible tells us about who we are. We read and discussed many Bible verses that tell us exactly who we are in Christ, the power of God that is within us in the Holy Spirit and the never ending unconditional love of being a child of God.

We said that God, creator of the universe and of all things, in all His amazing power and wisdom, not only created us each with a purpose but also with the ability to achieve that purpose. He wants to have a relationship with us as His children.

There is nothing we can do and nothing anyone or anything else can do to ever take away our true identity that God has given us. Once we truly understand who we are in Jesus Christ, nothing negative that anybody says or does or any negative circumstance will ever make any difference. We are and will always be a child of God.

Watch for classes to resume in August.

We watched a couple of short video clips from the "Anima Series" on Youtube that talk about "Who We Are" (links included below) and had a short discussion about them afterwards.

We concluded by handing out a list of Bible verses that we can turn to to find more about who we truly are as a child of God.

Join us next time as we start a new series about Jesus and loving others..
