Living Word Ahwatukee 1 Youth Update for the week of 7/19/15

Hello Chris

This week, we recalled that typically the two most difficult attributes to follow when loving others is to one, not be easily angered and two, to not keep a record of wrongs.

We followed up our series on what Jesus had to say about loving others specifically regarding these two most difficult attributes with a special video lesson taught by John Bevere (see link to lesson below).

John teaches a powerful lesson about being offended (easily angered) and about true forgiveness (no record of wrongs) in this excerpt based on his book The Bait of Satan: Living Free From the Deadly Trap of Offense.
