Foster Care Teens Personal Care Items

We are still collecting "Personal Care Items" for teens in foster care throughout the year. Items for both male and female teens are being collected in the bin just outside our youth room. These items will be sorted into personal bags and given to DCS to be distributed to teens who may not even have their own tooth brush or comb.

Matthew 4:24

A couple of Sundays ago, we completed episode 3 from Season 2 of **The Chosen** series. We first looked at the title.

Matthew 4:24 ²⁴ News about him spread all over Syria, and people brought to him all who were ill with various diseases, those suffering severe pain, the demon-possessed, those having seizures, and the paralyzed; and he healed them.

From the title, Jesus and His Disciples made it to Syria and He spent the entire day and late into the evening healing all who had come to him from all over Syria.

But, that wasn't all that happened in this episode. We said it could have been named something like "A Day in the Life of the Disciples".

We saw the Disciples interacting and talking with each other as they went through their daily activities in camp and taking turns helping Jesus.

We saw them trying to understand exactly what it is that they are a part of and how they each fit in with whatever it is Jesus is doing. Their expectations were that The Messiah would be a warrior to rid Israel of the Romans but Jesus seemed to be spending much of His time healing people.

Their campfire discussion turned to how difficult it is being Jewish and individual experiences being a Jew. The conversation eventually led to attacking Matthew for selling out his own people to work for the Romans and how Matthew, being a tax collector, made their lives even more difficult than they already were.

The heated discussion about Matthew reached a climax and seemed to almost be leading to a fist fight when just then Jesus, completely exhausted from spending the entire day healing people, simply walked by them and went to His tent to sleep.

The Disciples all fell silent as they watched him and they looked like they felt ashamed for their behavior as they

saw Jesus' example being laser focused on His mission.

We said that they had been distracted by their worldly issues and became not focused on what is really important, Jesus.

We said that in our sometimes crazy and sinful world that we live in today, it's easy to become distracted by worldly issues and desires rather than being focused on Jesus.

Don't miss the beginning of Episode 4 Sunday (3rd)
